Background	A photography competition is an event where student's photographers submit their work to be judged based on various criteria. These competitions can be organized by College to encourage students to develop entrepreneurship skills in photography business. This competition is open to students who are both amateurs and professionals, covering various themes such as nature, portraits, street photography, abstract, and more.
Objective	<ul style="list-style-type: none">• To encourage all students to express their creativity and showcase their unique perspectives.• To Use photography as a medium to highlight important social, environmental, or cultural issues.• To Identify and recognize emerging photographers who demonstrate exceptional skill and vision.
Conclusion	<p>The Department of Arts, Commerce and Science organized a Photography competition to encourage all students and entrepreneurship skills of students through photography. The main purpose of this program was to provide a common platform for all students to identify their areas of interest, Use photography as a medium to highlight nature, important social, environmental, or cultural issues. The students have the opportunity to tell compelling stories through their work, influencing public perception and understanding of important topic. This activity not only encourages students to identify their areas of interest, contributing to positive change and encouraging more people to engage in photography, creates confidence for the future. This activity therefore stimulates the holistic development of the students.</p> <p>The meeting concluded with Vote of thanks by Dr.D.A.Gade, Program Introduction done by Dr.B.H.Mohite, Addressing Student by chief guest Prof,Dr,M.K.Patil activity Coordinator member Prof.Koshti.V, Mrs.P.R.Mali, Dr.S.A.Babar.</p>
