Title	Group Discussion Topic: - Issues of Economic Development
Day & Date:	Wednesday, 22/01/2020
Organizer	Department of Economics
Beneficiary:	Padmabhushan Vasantrodada Patil, Mahavidyalaya, Kavathe Mahankal
No. of Student Participated	35
Co- Ordinator	Mr. K.L. Sakat
Participated	B.A. Part III Students
Background	Institutional orientation programs play a crucial role in ensuring that students have a smooth transition into their ancient educational practice's new academic environment. The background of a group discussion sets the stage by providing relevant context or information about the topic under discussion. Highlight any recent news, trends, or developments that are pertinent to the discussion.
Objective:	Knowledge sharing Encourage participants to share their insights, experiences, and expertise related to the topic. Critical thinking Stimulate critical thinking by prompting participants to analyse, evaluate, and critique different perspectives and arguments. Problem-solving Collaboratively explore potential solutions or approaches to address challenges or issues related to the topic. Communication skills development: Provide participants with opportunities to practice and improve their communication skills, including listening, speaking, and presenting.
Conclusion:	Indian development issues are multifaceted and require a comprehensive approach involving various stakeholders including government, civil society, private sector, and international organizations. Tackling issues such as inadequate infrastructure, healthcare disparities, educational deficiencies, poverty, environmental degradation, and social inequality demands concerted efforts and innovative solutions. It is imperative to prioritize inclusive and sustainable development strategies that empower marginalized communities, promote equitable access to resources and opportunities, and ensure environmental stewardship.
