Study Tour Report

Our Department has recently organized our study tour as a part of syllabus to Kolhapur. It was a wonderful experience. Our department has organized our visit to Shivaji University, Kolhapur. We visited the department of mathematics Shivaji University, Kolhapur on 24 April 2023.

In department students had interaction with Prof. Dr. S. H. Thakkar Head, Department of Mathematics, Shivaji University, Kolhapur where they got information about various career opportunities in mathematics. After that interaction students visited the department library of mathematics department which contained more than 2000 books.

At last students and accompanied teachers had lunch after which they all visited New palace, Kolhapur.

We are thankful to our principle Dr. M.K. Patil for permitting us for the tour. We express our gratitude to Prof. R.A. Dudhal H.O.D., and Mr. Akash Bandgar for their support.

It was a wonderful experiences to visit Shivaji University, Kolhapur and we would like to visit it again.

Thank You
