|-----------------------|--|
| Title | A Guest Lecture on “Opportunities in Pharmaceutical Industry” |
| Day & Date | Tuesday, 12/08/2025 |
| Organizer | Department of Chemistry |
| Chairperson | Dr. G. D. Kore |
| Coordinators | Mr. A. A. Kamble, Mr. A. S. Pawar. |
| Background | <p>The pharmaceutical industry is one of the fastest-growing sectors globally, offering a wide range of career opportunities for students with a background in chemistry. With rapid advancements in drug development, quality control, regulatory affairs, and research, the demand for skilled chemistry graduates has significantly increased. However, many B.Sc. and M.Sc. Chemistry students often lack awareness about the diverse roles and career pathways available in this field.</p> <p>To bridge this gap between academic knowledge and industry expectations, the department organized a guest lecture focusing on opportunities in the pharmaceutical industry. The session aimed to provide students with insights into current industry trends, required skill sets, and various career prospects, thereby helping them make informed decisions about their professional future.</p> |
| Objective | <ul style="list-style-type: none"> • To create awareness among B.Sc. and M.Sc. Chemistry students about career opportunities in the pharmaceutical industry. • To provide insights into various sectors such as research and development, quality control, production, and regulatory affairs. • To familiarize students with the skills and qualifications required to succeed in the pharmaceutical field. • To bridge the gap between academic curriculum and industry requirements. • To motivate students to explore diverse career paths and pursue higher studies or specialized training in pharmaceutical sciences. • To offer guidance on career planning, job prospects, and future trends in the pharmaceutical industry. |
| Conclusion | <p>The Department has a Guest Lecture on “Opportunities in Pharmaceutical Industry.” The major goal of the Workshop is to provide information about the new skillset required for the field of Pharmaceutical to the students of B.Sc. & M.Sc. In chemistry, Mr. Pawar has guided the students about multiskilling and the multisectoral approach. All students responded enthusiastically to the questions asked by them. Welcome and Introduction of the seminar was done by Mr. A. S. Pawar, followed by a guest lecture. Vote of thanks by Dr. G. D. Kore, 19 students PG & 24 Students of UG of the Department were benefited by this Guest Lecture.</p> |
