

1.4.1 Feedback Analysis (2022-23)

The feedback from stakeholders is necessary to improve the quality of education. Padmabhushan Vasatraodada Patil Mahavidyalaya, Kavathe Mahankal conducted surveys for the stakeholders of the institute to seek feedback on Syllabus and its transaction. It is hoped that the process of obtaining the feedback will result in the involvement of relevant stakeholders in improving the content of syllabus.

The main purpose of feedback is:

- Enhancing the students experience of teaching and learning
- Contributing to monitoring and review of quality and standards
- Ensuring the effectiveness of course design and delivery
- Helping students to reflect upon their experiences
- Measuring students satisfaction

The online feedback on syllabus is collected by using Google forms from students, teachers and alumni. All the collected feedback is analyzed and maximum improvements are made by the institution. Suggestions related to syllabus are communicated to affiliated university.

Analysis of Student's feedback:

Student's feedback collected by online Google form which consists of 33 questions/points divided into 5 parts i.e. A) About Syllabus B) Syllabus Transaction C) Assessment System D) Supportive Facilities E) Overall Rating. Students expressed their views about syllabus and its transaction very freely and realistic manner. Majority students think that nature of syllabus is adequate and realistic. 66.4% students agree that syllabus is career oriented. Students think that syllabus is averagely experiential, suitable for overall personality development, included with life values and recent trends in the subject. 64.5% students agree with that teachers complete the whole syllabus in time.
