## DVV Clarification

### Criterion-I: Curricular Aspects

#### Key Indicator 1.4 Feedback System

**1.4.1 Institution obtains feedback on the academic performance and ambience of the institution from various stakeholders, such as Students, Teachers, Employers, Alumni etc. and action taken report on the feedback is made available on institutional website.**

**DVV Finding: Action Taken by affiliating university on the feedback if any.**

#### Answer:

**Feedback collected analyzed, action taken in institutional level as well as communicated to the relevant bodies and feedback hosted on the institutional website.**

**The feedback collected from all stakeholders has been communicated to the affiliating university. The affiliating university has implemented the given feedback/suggestions in the NEP 2.0 syllabus which is implemented from the academic year 2024-25. The suggestions are implemented in Discipline Specific Courses (DSC), Open Elective (OE), Skill Enhancement Courses (SEC), Ability Enhancement Course (AEC), Co-Curricular (CC), Value Added Courses (VAC).**

#### Feedback Communicated to University:

1. Syllabus should be more practical
2. Syllabus should be more career oriented
3. Include business and share market related units
4. Syllabus texts should be change periodically.
5. Syllabus should be competitive exams related
6. Update Curriculum to reflect current global challenges.
7. Addition of research-oriented syllabus
8. Addition of Micro economics in syllabus.
9. Addition of field work for Psychology and political science last year students.
10. Politics of Chh. Shivaji Maharaj Should be added.
11. Basic Knowledge of the games should be added in the syllabus.
12. Indian Sociological theory should be added in the context of social reformers.
13. Soft Skills and entrepreneurship development should be added in the syllabus

14. Industrial visits and industrial internship should be added.
15. Human Values and ethics related topics should be included in the syllabus.
16. updation of syllabus including modern data science concepts and techniques.
17. Syllabus should be integrated with statistical software's commonly used in the industry

**Action Taken by affiliating university on the feedback**
