- 2. Research project grants should be reflected in audited statements.**

ANSWER:

We like to clarify that, our college have 'Faculty Endowment Awards' established through contributions from retiring faculty members. The institution maintains a dedicated endowment fund comprising monetary contributions graciously donated by retiring faculty members. These endowments serve as a perpetual testament to their commitment to academic excellence and student welfare.

- Award Distribution Mechanism:**

The accrued endowment funds are systematically distributed as merit-based awards to final-year students who achieve the highest academic distinction in their respective programs. Recipients are selected based on their exemplary performance in the final year examinations.

- Current Status:**

For the academic year 2023-24, while endowment contributions have been successfully collected and processed, the disbursement of awards remains pending. This temporary hold is attributed to the scheduling of

the Annual College Gathering, which is tentatively planned for January 2025, during which the formal presentation of these awards will take place.

- **Documentation**

A comprehensive record of previous beneficiaries who received endowment awards during the assessment period is maintained and available for reference. This documentation ensures transparency and maintains the integrity of the endowment distribution process.

I Prof. (Dr.) M. K. Patil herewith providing the list teachers contributed the amount for faculty endowment award during assessment period and list of students awarded faculty endowment. In addition, providing supporting documents for the same.
