CIRCULAR

Since last three years our institute is celebrating “**No Vehicle Day**” in the college campus on fourth Saturday of every month. Under this initiative, fossil fuel based four wheelers and two wheelers are not allowed in the college campus on that day and only bicycles, e- bikes and public transport means are used for commuting. Since last three years we are maintaining **No vehicle Day** this practice will also be continued for this academic year.

CIRCULAR

All faculties and Students are hereby informed as part of our commitment to sustainability and environmental responsibility, we are initiating an energy conservation campaign across our campus. Your participation is essential in making this initiative a success.

Turn Off Lights and Equipment: Please ensure that all lights, computers, and other electronic devices are turned off when not in use, especially at the end of the day.

Utilize Natural Light: Whenever possible, take advantage of natural light by opening blinds and using windows.

Adjust Thermostats: Be mindful of heating and cooling settings. A slight adjustment can lead to significant energy savings.

Report Issues: If you notice any energy waste, such as lights left on in empty rooms, please report it to the facilities management team.

Let's work together to reduce our energy consumption and minimize our carbon footprint. Your efforts can make a meaningful difference.

CIRCULAR

All faculties and Students are hereby informed that as a part of our ongoing commitment to sustainability and environmental responsibility, Water Conservation is an important aspect of our campus ecosystem. Water is a precious resource, and we all must take steps to conserve it on our campus

1. Be mindful of water usage in all facilities.
2. Please report any leaks or water wastage you notice in restrooms, classrooms, or outdoor areas to maintenance immediately.
3. In canteen and dining areas, be conscious of the amount of water used for washing dishes and food preparation.

CIRCULAR

All Students are hereby informed to remind everyone about the importance of our Botanical Garden, Medicinal Garden, and Oxygen Park as valuable resources for learning and relaxation. To ensure the garden remains a beautiful and educational environment, please adhere to the following guidelines:

Respect the Plants: Please do not pick or damage any plants, flowers, or trees. Our garden is home to various species that need protection.

Stay on Pathways: To preserve the ecosystem, kindly remain on designated pathways and avoid walking on garden beds.

Dispose of Waste Properly: Please use designated trash and recycling bins to keep the garden clean and tidy.

Group Visits: For organized group activities or classes, please notify the administration in advance to ensure the garden can accommodate your needs.

Let's work together to maintain the beauty of our Botanical Garden and make the most of this wonderful space.
