Statement of Vision and Mission

Vision:

Empower, Encourage & Enhance education, research and social outreach.

Mission:

- Providing quality education and training to the rural youth, especially those from marginalized communities, to help them develop the skills necessary to compete in the global economy while preserving their rich cultural heritage and value.
- Promoting a culture of critical thinking, scientific temper, and innovation among the students and faculty to address the challenging social, economic, and environmental issues of the reign.
- Engaging in cutting- edge research and development activities that benefit the local community and address their socio-economic, issues, such as sustainable agriculture and water conservation practices.
- Providing opportunities for experimental learning and community service to instill a sense of empathy and civic responsibility among students and encourage them to become agents of change in their communities.
- Encouraging active student participation in co-curricular activities such as sports, cultural events, and social outreach programs, to foster a well-rounded personality and promote teamwork and leadership qualities.
- Embracing the principles of Ambedkar and Gandhi to create a diverse and inclusive learning environment that fosters social harmony, gender sensitivity, and respect for diverse cultures and traditions.
