As per the Memorandum of Understanding between Society for Environment and Biodiversity Conservation (SEBC), Pune and Padmabhushan Vasantrodada Patil Mahavidyalay, Kavathe Mahankal, students and staff of Botany Department has actively participated in Field Based activities viz, remote forest village visit, medicinal plants survey analysis, ethno-botany, biodiversity and ecology study in Dajipur Wildlife Sanctuary, A UNESCO World Heritage Site during 29th to 31st January, 2024. Their efforts for understanding regional flora and unique nature if highly appreciated.

Dr. Shrinath Kavade

President, SEBC, PUNE

Report of the Activity

Activity Name - Field Botany and Ecology Course

Date-29th to 31st January 2024

As per the Memorandum of Understanding between Society for Environment and Biodiversity Conservation (SEBC), Pune and Padmabhushan Vasantodada Patil Mahavidyalaya, Kavathe Mahankal, B.Sc.III students and staff of Department of Botany has actively participated in Field Based activities viz, remote forest village visit, medicinal plants survey analysis, ethno-botany, biodiversity and ecology study in Dajipur Wildlife Sanctuary, A UNESCO World Heritage Site during 29th to 31st January, 2024.

A field botany and ecology course sounds like a fantastic opportunity for students to explore the natural world, such a course would typically cover topics such as: plant identification and classification, ecological principles and concepts field techniques for sampling and data collection, vegetation survey and assessment methods, plant community ecology and dynamics, interactions between plants and their environment conservation biology and management applications.

During this activity we conducted different activities for students to make interest in this field. On the first day we went for Jungle Safari. During Jungle Safari students get knowledge about wildlife and their conservation. After Jungle Safari at evening we organise a movie screening in which students seen the wildlife related videos and movies. On the second day morning there is yoga and meditation practices, which gives healthcare values to students. After breakfast we went for trekking in Dajipur Wildlife Sanctuary. At the time of trekking students get knowledge about identification of plants; RET listed plants and importance of their conservation. At the night of second day night the group discussion organised by NGO members and students interacted with NGO members and local peoples. On the third day we visited to sacred groove, in which local people communicate to the students give the knowledge about plant related tradition and culture.

Report of the Activity

Title	Guest lecture on "Socioeconomic impact and importance of wildlife"
Day & Date	Friday, 06 th October, 2023
Organizer	Department of Zoology
Chief Guest	Mr. Amol Jadhav Nature conservation Society, Sangali
Co-ordinator	Prof. (Dr.) Suverna B. More Head, Department of Zoology, P. V. P. Mahavidyalaya, KavatheMahankal
President	Principal Prof.(Dr.) M. K. Patil P. V. P. Mahavidyalaya, KavatheMahankal
Present Students	
Background	Guest lectures are often a welcome and inspiring event in a course, potentially demonstrating the real-life relevance with wildlife. It can however be challenging to successfully incorporate a guest lecture. The Department of Zoology of the institute dedicated to promoting interest in life science and wildlife and recently organized a guest lecture on topic "Socioeconomic impact and importance of wildlife"
Objective	1. To create awareness about importance of Careeropportunities in Zoology 2. To encourage more economic activities in rural communities, create more rural employment opportunities.
Conclusion	Total students were participated in the present event. This event provide fostering professional relationships between the speaker and the student beyond the classroom experience. The Guest Speaker dons the hat of bringing socioeconomic impact and importance of wildlife. This platform to invite impactful speakers for the interactive sessions helps strengthen the students' knowledge. Student's active involvement in learning from the speakers on the Climate change, Global warming, Impact of civilization on Environment, Plastic pollution, Endangered animals.
