Resource Person	<b>Mr. Mahesh M. Kamble</b> Librarian, P.V.P. Mahavidyalaya, K. Mahankal
Objective	The PVP Library's User Education Programme was designed to introduce students to the National Library and Information Services Infrastructure for Scholarly Content (NLIST) and National Digital Library (NDL) online resources. The Programme targeted to demonstrate to students digital literacy, expose them to the idea of a consortium, and teach them how to access and use the online resources made accessible by NLIST and NDL.
Conclusion:	Students were introduced to NLIST and NDL online resources as part of the PVP Library's User Education Programme, which also provided them with the information and abilities they needed to successfully access and use these platforms. The course of study placed a high priority on digital literacy and gave students the resources they needed to succeed in their coursework and research projects. The PVP Library is still dedicated to giving students access to valuable online materials and supporting their academic success.
