REPORT OF GROUP DISCUSSION

Title	Group Discussion Topic: - Issues of Economic Development
Day & Date:	Wednesday, 22/01/2020
Organizer	Department of Economics
Beneficiary:	Padmabhushan Vasantrodada Patil, Mahavidyalaya, Kavathe Mahankal
No. of Student Participated	35
Co- Ordinator	Mr. K.L. Sakat
Participated	B.A. Part III Students
Background	Institutional orientation programs play a crucial role in ensuring that students have a smooth transition into their ancient educational practice's new academic environment. The background of a group discussion sets the stage by providing relevant context or information about the topic under discussion. Highlight any recent news, trends, or developments that are pertinent to the discussion.
Objective:	Knowledge sharing Encourage participants to share their insights, experiences, and expertise related to the topic. Critical thinking Stimulate critical thinking by prompting participants to analyse, evaluate, and critique different perspectives and arguments. Problem-solving Collaboratively explore potential solutions or approaches to address challenges or issues related to the topic. Communication skills development: Provide participants with opportunities to practice and improve their communication skills, including listening, speaking, and presenting.
Conclusion:	Indian development issues are multifaceted and require a comprehensive approach involving various stakeholders including government, civil society, private sector, and international organizations. Tackling issues such as inadequate infrastructure, healthcare disparities, educational deficiencies, poverty, environmental degradation, and social inequality demands concerted efforts and innovative solutions. It is imperative to prioritize inclusive and sustainable development strategies that empower marginalized communities, promote equitable access to resources and opportunities, and ensure environmental stewardship.

REPORT

Title	Group Discussion Topic:- India ready for cashless economy?
Day & Date:	Saturday 10/03/2023
Organizer	Department of Economics
Beneficiary:	Padmabhushan Vasantrodada Patil, Mahavidyalaya, Kavathe Mahankal
No. of Student Participated	36
Co- Ordinator	Mr. K.L. Sakat (HOD, Economics)
Participated:	BA Part III Students
Background:	Institutional orientation programs play a crucial role in ensuring that students have a smooth transition into their ancient educational practice's new academic environment. These programs only provide an opportunity for students to get acquainted with the institution but also familiarize them with the various skill Development of Students.
Objective:	Knowledge sharing Encourage participants to share their insights, experiences, and expertise related to the topic. Critical thinking Stimulate critical thinking by prompting participants to analyse, evaluate, and critique different perspectives and arguments. Problem-solving Collaboratively explore potential solutions or approaches to address challenges or issues related to the topic. Communication skills development: Provide participants with opportunities to practice and improve their communication skills, including listening, speaking, and presenting. The discussion on whether India is ready for a cashless economy is multifaceted.
Conclusion:	This may involve targeted interventions to enhance digital literacy, improve infrastructure, strengthen cybersecurity measures, and foster innovation in the fintech sector. Additionally, a balanced approach that combines digital solutions with the continued availability of cash as a fallback option may be necessary to accommodate diverse socioeconomic realities and ensure financial accessibility for all segments of society. Ultimately, achieving a cashless economy in India will require collaborative efforts from the government, financial institutions, technology providers, and civil society to overcome existing challenges and realize the full potential of digital payments in driving economic growth and financial inclusion.

समूह चर्चा वृत्तांत

आज दिनांक 14 अक्टूबर 2023 को पद्मभूषण वसंतराव दादा पाटील महाविद्यालय कवठेमहांकाल में B.A. II (हिंदी) के छात्रों में 'समूह चर्चा' का आयोजन किया गया। कार्यक्रम का उद्घाटन तथा प्रमुख अतीथी के रूप में पी.व्ही.पी. महाविद्यालय कवठे महांकाल के मराठी विभाग प्रमुख प्रो. डॉ. मोहन लोंढे सर थे। प्रमुख अतीथी प्रो. डॉ. लोंढे जी ने अपने विचारों को स्पष्ट करते हुए कहा कि 'आज भारत दिन – ब – दिन तरक्की कर रहा है, महिलाएँ पुरुषों के कंधों से कंधा मिलाकर चल रही हैं परंतु ग्रामीण परिवेश में आज भी यही महिलाएँ केवल चौका और चूल्हे तक सीमित हैं।'

समूह चर्चा का 'ग्रामीण परिवेश और महिलाओं के हक' ये विषय था। B.A.II (हिंदी) में पढ़ने वाले लगभग सभी छात्रों ने एक-एक कर अपने विचार प्रस्तुत किए। जिसमें कु. आस्मा मगदूम ने कहा – मैं भी ग्रामीण परिवेश से आती हूँ। महिलाओं के मामले में हमारा गांव बहुत ही पिछड़ा है। वहाँ पर कोई भी महिला अपने सिर से अपनी साडी का पल्लू नीचे गिरने नहीं देती।

समूह चर्चा के अंत में हिंदी विभाग के डॉ. धर्मेन्द्र थोरात जी ने भी कुछ मुद्दों को छात्रों के सामने रखा। उन्होंने कहा कि 'हमें अपनी घर की महिलाओं को वह हक अवश्य देने चाहिए जो हमारे संविधान ने दिए हैं। उनके अधिकारों से उन्हें दूर रखना और आवश्यकता से अधिक उनपर पाबंदी लगाना ये उनका और समाज का दोनों का नुकसान है। समूह चर्चा का आभार प्रदर्शन हिंदी विभाग के डॉ. विनायक शिंदे जी ने किया।

Report of the Activity

Title	Group Discussion.
Day & Date	Monday, 16 th October 2023.
Organizer	Department of Botany.
Background	The Department of Botany recently organized a Group Discussion on the topic of cell as biochemical entity. This activity is to provide a platform for participants to show their research and knowledge in the field of cell biology.
Objective	<ul style="list-style-type: none">• To inspire students to explore and interest in the various aspects of Science.• To provide a platform for participants to present their findings and insights in a visually appealing and informative manner through group discussion.• To develop sense of critical thinking, research skills, and communication abilities among the participants.• To promote collaboration and exchange of ideas among the participants, academicians, and experts in the field.
Conclusion	Group Discussion on the topic of cell as biochemical entity proved to be a successful endeavour; achieving its objectives of encouraging students and providing a platform for express the knowledge in the field of cell biology. It gives the important opportunity for participants to enhance their knowledge and communication skills.

Activity Report

Title	“ Group Discussion on Topics of Physical and Analytical Chemistry ”
Date:	10 and 11 October 2023
Organizer	Department of Chemistry Padmabhushan Vasatraodada Patil, Mahavidyalaya, Kavathe Mahankalal
Background	The purpose of the group discussion is to develop personal understanding. This calls for kicking ideas around, testing them, examining and comparing them. In group discussions, students also discuss their approaches to learning and exam preparation. When students exchange ideas about their experiences with different learning styles, it gives students an opportunity to learn about the best learning styles.
Objective	Group discussions help students develop critical thinking skills, improve communication skills, increase self-confidence, and build teamwork. These advantages make group discussions great tools for teachers who want to encourage student participation and collaboration.
Conclusion:	For holistic development of student, department of chemistry organize different activities regularly. To improve concept knowledge and communication skills department arranged two day group discussion session for students of B. Sc. Part II. Where students are divided into different groups and topics for discussion were already provided to them. On these topics students done the group discussion one by one according to schedule. 10 groups of total 52 students participated in the activity. Students appreciated the activity by giving positive feedback.
