DEPARTMENT OF PHYSICS**

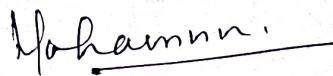

Report of the Activity

The Department of Physics, recently organized a debate competition on the theme of Use of Artificial Intelligence. This event aimed to provide a platform for participants to showcase their research, knowledge, and creativity and logical thinking.

The objective to organize the debate competition is to encourage students and researchers to explore the various aspects of Physics and Electronics. To provide a platform for participants to present their thoughts through debate competition. To foster a sense of critical thinking, research skills, and communication abilities among the participants. To promote collaboration and exchange of ideas among the participants, academicians and experts in the field and to expose the participants to outstanding research

The debate competition on Use of Artificial Intelligence proved to be successful achieving its objectives of encouraging research, thinking skills, and providing a platform for showcasing talent in the field. It served as a valuable opportunity for participants to enhance their knowledge, network with like-minded individuals, and contribute to the scholarly discourse.

Report of the Activity

Title	Debate on " Online Teaching".
Date	15/02/2022
Organizer	Department of Physics
Background	The Physics department of the institution is dedicated to initiate the awareness of physics education among students. The aim of debate was to foster critical thinking among the students by engaging them in a debate on relevant and challenging topics.
Objective	<ul style="list-style-type: none">• To provide platform to show skills and analytical thinking of students.• To develop students ability to defend their view points.• To provide a platform for students to present their ideas.• To enhance students skills in constructing arguments and rebuttals.
Conclusion	The debate on " Online Teaching" successfully achieved its aim and objectives and communication skill development. The B.Sc. students actively participated in the debate by sharing their experiences and posing thought provoking questions. It also promoted a collaborative learning environment. It is a successful event in achieving its objectives.
