Report of the Activity

Title	Industrial Visit to Infosys Hinjewadi Campus, Aurangabad, Daulatabad Fort & Verul Caves
Day & Date	20/01/2024 to 22/01/2024
Organizer	Department of English, Political Science & History
Funding	-
Co-ordinator	Mr. N. P. Shinde, Mr. S. N. Phakade & Mr. H. V. Pawar
Participants	28 Students & 5 Teachers
Background	As part of the Student Connect program, the department has organized an industrial visit to Infosys Hinjewadi Campus for students of Shivaji University, Kolhapur. This visit aims to provide students with hands-on experience in a real-world corporate environment and to expose them to cutting-edge technologies and practices in the industry. Following the industrial visit, students will also be taken on an educational excursion to Aurangabad, including visits to Verul Caves and Daulatabad fort, to enhance their learning and cultural experiences.
Objective	<ol style="list-style-type: none">1. To provide students with exposure to the corporate environment and operations at Infosys Hinjewadi Campus.2. To enhance students' knowledge and understanding of the practical applications of their academic studies.3. To expose students to the historical and cultural significance of Aurangabad, Verul Caves, and Daulatabad fort.
Conclusion	The visit to Infosys allowed students to witness industry practices firsthand and gain insights into the operations of a leading IT company. Additionally, the educational excursion to Aurangabad provided students with a historical and cultural perspective, enriching their overall learning experience. These initiatives under the Student Connect program not only broadened students' horizons but also enabled them to bridge the gap between theoretical knowledge and practical applications. Such experiential learning opportunities are essential in shaping well-rounded and industry-ready professionals.

I am writing to confirm the industrial visit to Infosys Hinjewadi campus, as requested in your email dated 07th December 2024.

Firstly, I would like to express our gratitude to Infosys for giving us the opportunity to visit your esteemed organization. We believe that this industrial visit will greatly benefit our students and provide them with valuable insights into the workings of a renowned IT company like Infosys.

As per guidelines provided, the industrial visit is scheduled to take place on 20/01/2024 from 08:30am to 2:30pm. We are planning to bring 30 students along with 5 faculty members for this visit. The visit will be organized under the supervision of our college staff to ensure the smooth conduct of the program.

We understand the importance of following the guidelines and rules set by Infosys during the visit. We assure you that our students and faculty will adhere to all the necessary protocols, including dress code, behaviour, and security measures, to maintain a professional environment.

We kindly request your assistance in providing us with the required information or any additional formalities that need to be completed before the visit. This could include any documentation or permissions that Infosys may require from our end, such as a list of participants or identification details.

We are eagerly looking forward to the industrial visit and believe that it will be a valuable learning experience for our students. Thank you once again for accommodating our request and providing us with this opportunity. Please feel free to contact us if you need any further information or have any specific requirements. We will be more than happy to assist you in any way.

Herewith attached the list of Students:

 BPM Student Connect Form Jan 2024.xlsx

Dear Sir,

Greetings from Infosys BPM CSR Team!!

We request you to share the list of students & faculty members with their names as we need to share with the security for entry check and other teams to make arrangements. This is the final call for participation. Once the seats are full we will not be taking any new participants and they can participate in the next financial year.

Therefore please fill the attached sheet and share with us at the earliest.

Respected Sir/Mam,

As requested attached herewith the institution Level, Faculty and Student information. Please find the attachment.

In addition, I am writing to kindly request accommodation for myself and a group of fellow students. We will be leaving the college campus after our college hours, which typically end around 6 pm. Unfortunately, due to travel constraints, we expect to reach Pune around 12:30 am.

Considering the late hour and the need for a safe place to stay, we kindly request your assistance in providing accommodation for us. We understand that this is an unusual request and may require additional arrangements, and we truly appreciate your consideration and support.

As responsible students, we prioritize our safety and well-being during our travels. We believe that having a secure place to stay upon our arrival in Pune is crucial for our peace of mind. If possible, we kindly request a comfortable and safe accommodation arrangement for our group.

We are open to any suggestions or available options, such as guest houses, dormitories, or any other suitable accommodation facilities within or near the college premises. Our group consists of [number of students], and we would be grateful if the accommodation could accommodate all of us.

We understand that accommodating a late arrival like ours may pose some challenges, but we assure you that we will respect all guidelines and adhere to any additional protocols put in place to ensure a safe and enjoyable stay.

Infosys Pune Visit - Student Connect - 20th January 2024

1 message

Wed, Jan 17, 2024 at 6:44 PM

Smitha Thomas <Smitha_Thomas@infosys.com>

BCC Intentional to Project Genesis Partnering Colleges

Respected Sir / Madam,

Greetings from BPM CSR team!!

We are glad to organize a Student Connect Program for your students (Non-IT & Non-Engineering) at the Infosys Pune campus on 20th January 2024. Thank you for sharing the details in the Student Response Form.

I am the program coordinator and can be reached at +91 9823743459 for any clarifications.

Address: Infosys Limited, Plot No. 1, Hinjewadi Phase II, Hinjewadi Rajiv Gandhi Infotech Park, Hinjewadi, Pune, Maharashtra 411057.

Entry : Gate # 4

Landmark: Near Wipro Circle Hinjewadi Phase II

Google Maps Link: https://goo.gl/maps/wzZFhSND6AeJkmmD9

Below is the agenda for the program:

8.30am - 9.30 am	Arrival of students at gate no 4
9:30am - 10:00 am	Tea/ Coffee at FC 4
10:00am - 11.30 am	Context Setting and Leader Connect Session
11:30am - 1:00 pm	Campus Tour
1:00pm - 3:00 pm	Lunch
3:00 pm	Exit from the campus

Request you to share the below guidelines with the participating students and faculty members.

- Visitor passes will be given at entry gate no. 4, requesting you to report by 8:30 AM
- **Entry for the buses will be from Gate # 4 and buses will be parked in the bus bay inside the campus**
- Our volunteers will escort your team to the venue
- **All the students and faculty members must carry a college id card and government id proof like PAN / Adhaar / Driving License for entry purpose**
- For Long distance intra / intercity travelers, please note there are no hotels for halting and freshening up in and around the campus. We will arrange Tea / Coffee for the visitors upon their arrival
- All the participants should check in at the same time which is 8:30 AM
- **Pen drives/Laptops/ other storage devices are not allowed inside the campus**
- Students must switch off mobile phones during the Leader Connect session
- Students cannot bring eatables from outside, into the campus, hence, request them to keep it in the bus itself
- Participants are not allowed to go to any building/facility alone and can enter the designated areas only as instructed by the assigned Infosys volunteer
- Participants are allowed to take pictures within the campus but not inside the facilities

Regards,

Smitha Thomas

Respected Sir / Madam,

Greetings from Infosys BPM CSR Team!!

Thank you so much for visiting Infosys BPM Ltd and being a part of Student Connect Program at our Pune DC Campus on 20th January 2024. Our gratitude to all the Training Placement Officers for coordinating with the respective colleges. We hope the students and faculty members had a great learning and experience through this connect. Thanking each of you for all the support and coordination and abiding with the organization rules.

o share your feedback / testimonials about the program.

Looking forward to take this venture ahead and continue to contribute to the student community.

DEPARTMENT OF PHYSICS

Field Work

(Academic Year 2023 – 24)

Title

Visit to Shri Sidhhivinayak Cancer Hospital,
Miraj.

Date : 6 January 2024

Background : -

The Physics department of the institution is dedicated to initiate the awareness of physics education among students, recently organized a field visit on the theme of use of various instruments based on principles in Physics in medical field. This event aimed to provide information to participants about the branch medical physics.

Objectives:

This field work has various objectives as,

1. Understanding radiation therapy : -
They can learn about how physics principles are applied in radiation therapy for cancer treatment. It includes use of linear accelerator and the physics behind dosimetry.
2. Exploring imaging techniques : -
Physics plays important role in medical imaging techniques such as X ray, CT scan, MRI and PET scan. Students can gain insights into the physics principles underlying these imaging modalities and their applications in cancer diagnosis and treatment planning.
3. Learning about nuclear medicine : -
Physics student can learn about use of radioactive isotopes in diagnosing and treating cancer.
4. Engaging with Medical physics professionals: -
Interacting with medical physicists and radiation oncologists can provide student with valuable insights into the interdisciplinary nature of cancer treatment and the role of physicists in healthcare.
5. Ethical considerations : -
Visiting cancer hospital also prompts discussion on ethical considerations related to the cancer treatment, radiation exposure, patient care and healthcare policies.

Overall the objectives would involve gaining a deeper understanding of the application of Physics in cancer diagnosis, treatment and research as well as fostering interdisciplinary learning and ethical awareness among students.

Information collected from field work :

During the visit to Shri Sidhhivinayak Cancer Hospital, Miraj students understand that physics plays significant role in various aspects of cancer treatment and management in hospitals. They get information about types of stages of cancer as well as available treatment for disease. Meeting with the medical team, the nurses and the healthcare professionals and technicians student gain knowledge about use of Physics in medical field. Students observed working of X ray machine, PET Scan machine, particle accelerator, MRI machine.

Conclusion :

The Field visit on the theme of use of various instruments based on principles in Physics in medical field is proved to be a successful event in achieving its objectives of encouraging participants and providing a platform for further education in the field of medical physics. It's a place where multidisciplinary teams of healthcare professionals work together to provide comprehensive care for patients diagnosed with cancer. The visit likely provided insights into various aspects of cancer treatment. It served as a valuable opportunity for participants to enhance their knowledge, network with like-minded individuals.

Title	One day Industrial Visit for the B.Sc. III Chemistry Department Students,
Day & Date	Friday, 13/10/2023
Organizer	Department of Chemistry
Co-Coordinator	Mr. A. A. Kamble, Mr. T.P. Shinde
Background	Departmental programs play a crucial role in helping students for their betterment. Industrial visit plays important role in holistic development of students.
Objective	<ul style="list-style-type: none">• To provide students an insight into the real working environment, workstations, plants.• To interact with highly trained and experienced personnel.• To provide the information about various instruments required for chemical analysis.• To study different units and their collaboration in industry.• To learn assembly lines, machines, systems• To provide information about modern instruments used in industry.
Conclusion	The Department has arranged one day Industrial Visit for the B.Sc. III Chemistry Department Students, on 13 th October at 10:00. am. The major goal of the program was to provide on field training in industry working and management. 25 students and 4 Faculties of Chemistry Department visited BAL Pharma Unit-5 Kavathe Mahankal. Assistant Manager Mr. Vikas Bhosale provided information about Various departments (Production, QC, QA) in industry. He has also provided information about chemical processes involved in industry, discipline, work culture in industry

Department of Economics

REPORT (2021-22)

Title	Educational Study Tour Directorate of Beekeeping, Mahabaleshwar
Date	29/05/2022
Organizer	Department of Economics
Beneficiary	Padmabhushan Vasantrodada Patil, Mahavidyalaya, Kavathe Mahankal
No. of Student Participated	14
Participated teachers	Mr. K.L. Sakat (HOD, Economics)
Background	Focuses on gaining comprehensive insights into the beekeeping industry, including the cultivation and harvesting of honey and beeswax. It also emphasizes learning about specialized training programs like Madhuban Beekeeping Training to develop practical skills in apiary management and product processing for market distribution.
Objective	<ol style="list-style-type: none">1. Understanding the Beekeeping Business.2. To know about Madhuban Beekeeping Training.3. See honey, wax and produce.4. To understand honey and main product marketing.
Conclusion	Through understanding the intricacies of beekeeping, attending specialized training, and witnessing first-hand the production of honey and beeswax, one can gain valuable knowledge about both the operational aspects and marketing strategies essential for success in the beekeeping business.

Subject: Permission Request for Study Tour

Respected Sir,

I hope this letter finds you well. I am writing to formally request your permission for 25 students from B.A. Economics to participate in a study tour **organized by Department of Economics**. The purpose of this study tour is to enhance our understanding of Economics through practical exposure and experiential learning. We have planned visits to **Directorate of Beekeeping, Mahabaleshwar** to be visited where students will have the opportunity to Self-Employment, Self-Business to various sectors. This tour aligns closely with our academic curriculum and will provide invaluable educational benefits.

Departure Date: 29/05/2022

Return Date: 29/05/2022

Co- ordinating Teachers: **Mr. K. L. Sakat (HOD Department of Economics)**

Estimated Cost per Student: Rs.1000

We assure you that all necessary safety precautions will be taken throughout the tour, and students' safety and well-being are our top priority. We will be providing emergency contact numbers for all accompanying teachers, and all students will be under constant supervision. To facilitate this tour, we kindly request your approval and support. Your permission will allow us to proceed with the necessary arrangements and logistics without delay.

Thank you very much for considering this request. We believe this study tour will significantly contribute to our students' overall development and academic growth.

Permission granted

Study Trip Activity Report

Title	Gokul milk dairy Kolhapur
Day & Date	Wednesday, 15/03/2023
Organizer	Department of Commerce
Chairperson	Prof Dr.M.K.Patil
Coordinator	Dr.B.H.Mohite, Mr.S.M.Shinde, Mr.A.M.Mane
No. of Students Present	27 students
Background	Department of Commerce has organised B.com students for a short study trip (visiting Gokul milk dairy Kolhapur, Study Trip / Industrial visit). Planning a study trip to an Gokul milk dairy Kolhapur, Study Trip / Industrial visit was a valuable educational experience for students interested in Dairy and dairy related industries. Gokul milk dairy industry showcase various aspects of milk dairy and related industries, including milk products and new variety of milk products, dairy industry equipment and technology demonstrations. The goal is to create a welcoming, conducive, knowledge gaining with regard to dairy and milk related business the students are interested in.
Objective	<ul style="list-style-type: none">• To provide students with firsthand exposure to dairy industry, and milk related business.• To help students understand the new variety of milk products, dairy industry equipment and technology.• To raise awareness about sustainable and environmentally friendly farming practices and their importance in dairy industry.• To inspire students by showcasing successful dairy farming story of gokul dairy industry, business, motivating them to consider careers in dairy industry or related fields.
Conclusion	The study trip included 44 students and 4 faculty members visiting the Gokul milk dairy Kolhapur, Study Trip . It is not just a one-time event but an opportunity for participants to continue learning and making a positive impact in the field of dairy industry. The study trip of Gokul milk dairy Kolhapur, Study Trip serves as a bridge between the trip and the ongoing educational and professional journeys of the participants, reinforcing the value of the experience and its potential for long-term benefits. To motivate participants to continue exploring and learning about dairy industry and related fields beyond the trip.
