Report of the Tree Plantation Program

On January 23, 2024, the National Cadet Corps (NCC) unit from Padmabhushan Vasantao Dada Patil Mahavidyalaya, Kavathe Mahankal successfully conducted a Tree Plantation Programme at Dandoba Hill in Kavathe Mahankal Tahsil, District Sangli. This event was a part of our ongoing efforts to promote environmental sustainability and engage cadets in meaningful community service. With 18 first-year NCC cadets participating, the event was marked by enthusiasm and a collective commitment to environmental preservation.

The programme commenced at 8:00 AM with the cadets assembling at the designated spot on Dandoba Hill. After a brief introduction about the significance of the tree plantation and its long-term environmental benefits, cadets were given instructions on the proper techniques for planting saplings. Each cadet was provided with tools and saplings, and under the guidance of the coordinators, they began planting trees across the hillside. The chosen location, Dandoba Hill, is known for its ecological diversity and scenic beauty, making it an ideal site for such an initiative.

Throughout the morning, the cadets demonstrated remarkable teamwork and diligence. They planted over 50 Trees, including a variety of native species that are well-suited to the local climate and soil conditions. This selection was aimed at enhancing the biodiversity of the area and ensuring the sustainability of the planted trees. The cadets not only planted the saplings but also learned about the importance of each species and the role they play in the ecosystem. This hands-on experience was invaluable in fostering a deeper understanding and appreciation of nature among the cadets.

Report of the Tree Plantation and Cleanliness Camp

On 26 February 2024, a group of Seven NCC cadets from our college participated in a one-day Tree Plantation and Cleanliness Drive in Lonarwadi village. This event was part of our NCC unit's extension activity aimed at promoting environmental sustainability and community engagement. The programme witnessed active participation from the Zilla Parishad School, Lonarwadi, and the local Gram panchayat, making it a collaborative and successful event.

Cadets Satish Ghatage and Sagar Gorad took the initiative in leading the tree plantation activity at the Z.P. School in Lonarwadi. They were joined by the school's teacher and twenty enthusiastic students, who together planted several trees within the school premises. This effort was aimed at enhancing the greenery of the school environment and instilling a sense of environmental responsibility among the students. The collaborative spirit and active involvement of the students and the teacher contributed significantly to the success of this initiative.

Meanwhile, cadets Avinash Bajbale and Jitendra Bajbale spearheaded the cleanliness campaign in the village, working closely with the members of the Grampanchayat, including the peon and clerk. Their efforts focused on cleaning public areas and raising awareness about the importance of maintaining cleanliness for a healthy community. Cadets Sourabh Malame Swayam Sabale and Anil Pandhare also participated actively, ensuring that the event ran smoothly and effectively. The combined efforts of the cadets and the local community resulted in a cleaner and greener Lonarwadi, showcasing the power of collective action and community involvement.

Report of the Activity

Activity Name - Field Botany and Ecology Course

Date-29th to 31st January 2024

As per the Memorandum of Understanding between Society for Environment and Biodiversity Conservation (SEBC), Pune and Padmabhushan Vasantodada Patil Mahavidyalaya, Kavathe Mahankal, B.Sc.III students and staff of Department of Botany has actively participated in Field Based activities viz, remote forest village visit, medicinal plants survey analysis, ethno-botany, biodiversity and ecology study in Dajipur Wildlife Sanctuary, A UNESCO World Heritage Site during 29th to 31st January, 2024.

A field botany and ecology course sounds like a fantastic opportunity for students to explore the natural world, such a course would typically cover topics such as: plant identification and classification, ecological principles and concepts field techniques for sampling and data collection, vegetation survey and assessment methods, plant community ecology and dynamics, interactions between plants and their environment conservation biology and management applications.

During this activity we conducted different activities for students to make interest in this field. On the first day we went for Jungle Safari. During Jungle Safari students get knowledge about wildlife and their conservation. After Jungle Safari at evening we organise a movie screening in which students seen the wildlife related videos and movies. On the second day morning there is yoga and meditation practices, which gives healthcare values to students. After breakfast we went for trekking in Dajipur Wildlife Sanctuary. At the time of trekking students get knowledge about identification of plants; RET listed plants and importance of their conservation. At the night of second day night the group discussion organised by NGO members and students interacted with NGO members and local peoples. On the third day we visited to sacred groove, in which local people communicate to the students give the knowledge about plant related tradition and culture.

Co-ordinator	Surendranath Babar
Background	On October 1, 2023, the National Service Scheme (NSS) initiated a cleaning drive campaign at the Court Area of Kavathe Mahankal. The campaign aimed to address the issue of environmental cleanliness, promote community involvement in sanitation efforts, and raise awareness about the importance of maintaining a clean and hygienic environment.
Objective	<ul style="list-style-type: none">- To mobilize NSS volunteers and community members to participate in a collective effort to clean and beautify the court premises.- To promote the adoption of responsible waste management practices and encourage the proper disposal of waste.
Conclusion/ Outcomes	The cleaning drive at the court area by the NSS unit of [Your Institution's Name] was a resounding success. It not only achieved its primary goal of cleaning the court premises but also promoted environmental awareness and community spirit. The NSS unit plans to organize similar drives in other areas to continue contributing to the Swachh Bharat Abhiyan and inculcate the value of cleanliness among the youth.

Title	'Brook Cleaning Campaign'
Day & Date	29/03/2023
Organizer	NSS No of part : 43
Co-ordinator	Prof Sanjay Patil, Prof Netaji Pol
Background	The National Service Scheme (NSS) orchestrated a significant environmental initiative, the Brook Cleaning Campaign, on March 29, 2023. The campaign aimed to address environmental concerns related to water bodies, specifically focusing on cleaning and preserving the local brook while fostering community engagement in environmental conservation efforts.
Objective	The primary objective of the Brook Cleaning Campaign was to raise awareness about the importance of maintaining clean water bodies and actively involve the community in cleaning and preserving the local brook. The campaign sought to underscore the significance of preserving natural habitats and preventing pollution.
Conclusion/ Outcomes	The Brook Cleaning Campaign organized by NSS on March 29, 2023, emerged as a testament to collective environmental responsibility and community action. The active participation of NSS volunteers and community members showcased the power of collaborative efforts in addressing environmental challenges. The campaign not only cleansed the brook but also instilled a sense of responsibility and awareness among participants regarding the importance of preserving natural water bodies. Ongoing collaborations with local authorities will be pivotal in maintaining the positive impact of this campaign and fostering a sustainable environment for future generations.
