Background	Departmental program play a crucial role in enabling students to provide guidance, advice, and insights based on their own entrepreneurial experiences. The process of improving and cultivating the skills, knowledge, mindsets, and resources necessary to start, lead, and grow a successful business or venture. This includes a combination of training, education, mentoring, networking and access to resources that enable individuals to turn innovative ideas into viable and sustainable businesses. The ultimate goal of fostering entrepreneurship is to create an environment that fosters innovation, risk-taking and economic growth. The goal is to create a welcoming, conducive, knowledge gaining with regard to job or type of business the students are interested in.
Objective	<ul style="list-style-type: none"> • To encourage all students to identify their area of interest such as job or business. • To inspire students to learn about various schemes of available for business which in turn will create their value in society • To motivate all Students to have career, choose their business and disseminate the information to the society.
Conclusion	The Entrepreneurship Development Cell organized a guest lecture on Udjojakta Gappato encourage all students and increase their awareness of the profession and business. The main purpose of this program was to provide a common platform for all students to identify their areas of interest, whether they choose to work or want to do business in the future. If students choose to pursue business, ask them what business areas they prefer, what government programs are available for that type of business, etc. This activity not only encourages students to identify their areas of interest, but also motivates them to work on their own work. Independent research creates confidence for the future. This activity therefore stimulates the holistic development of the students. Entrepreneurship cells play a key role in fostering and supporting emerging entrepreneurs. EDC contributes significantly to personal growth, economic development and innovation through skill development, networking, brainstorming, start-up support and entrepreneurship.
