On January 23, 2024, the National Cadet Corps (NCC) unit from Padmabhushan Vasantao Dada Patil Mahavidyalaya, Kavathe Mahankal successfully conducted a Tree Plantation Programme at Dandoba Hill in Kavathe Mahankal Tahsil, District Sangli. This event was a part of our ongoing efforts to promote environmental sustainability and engage cadets in meaningful community service. With 18 first-year NCC cadets participating, the event was marked by enthusiasm and a collective commitment to environmental preservation.

The programme commenced at 8:00 AM with the cadets assembling at the designated spot on Dandoba Hill. After a brief introduction about the significance of the tree plantation and its long-term environmental benefits, cadets were given instructions on the proper techniques for planting saplings. Each cadet was provided with tools and saplings, and under the guidance of the coordinators, they began planting trees across the hillside. The chosen location, Dandoba Hill, is known for its ecological diversity and scenic beauty, making it an ideal site for such an initiative.

Throughout the morning, the cadets demonstrated remarkable teamwork and diligence. They planted over 50 Trees, including a variety of native species that are well-suited to the local climate and soil conditions. This selection was aimed at enhancing the biodiversity of the area and ensuring the sustainability of the planted trees. The cadets not only planted the saplings but also learned about the importance of each species and the role they play in the ecosystem. This hands-on experience was invaluable in fostering a deeper understanding and appreciation of nature among the cadets.
