Chairperson	Dr. S. P. Solage , Assistant Co-Ordinator, Women Empowerment Cell
Chief Presence	Mr. S. A. Babar , NSS Program Officer
Participants	115 Girl Students.
Background	In today's fast-paced and hectic lifestyle, the health of women often takes a backseat. Recognizing the importance of promoting women's health and empowering them, the NSS (National Service Scheme) and Women Empowerment Cell have organized a Health Check-up Camp for girls. This camp aims to address the healthcare needs of young girls and create awareness about the importance of regular health check-ups.
Objective	<ol style="list-style-type: none">1. To provide access to healthcare services for girls who might not have regular check-ups.2. To create awareness about preventive measures for common health issues among girls.3. To educate girls about the importance of self-care and the significance of early detection of health problems.4. To foster a sense of empowerment and encourage girls to take charge of their own health.
Conclusion	115 girls were able to avail of the much-needed healthcare services and address their health concerns. Through informative sessions conducted during the camp, the girls gained knowledge about health issues and preventive measures. The camp not only provided them with necessary medical attention but also instilled a sense of empowerment by educating them about the importance of self-care and taking charge of their own health.
