Activity Report

Title	'Community Engagement Program'
Day & Date	04/01/2024 No of Part: 30
Organizer	NSS and Department of Psychology
Co-ordinator	Dr Vinod Kamble, Surendranath Babar
Background	On January 4, 2024, a Community Engagement Program was organized jointly by the National Service Scheme (NSS) and the Department of Psychology at the School of Autism in Kavathe Mahankal. The program aimed to foster community involvement, promote awareness about autism spectrum disorder (ASD), and facilitate interaction between individuals with ASD and the broader community.
Objective	<ul style="list-style-type: none">- To raise awareness about autism spectrum disorder and promote acceptance and inclusion of individuals with ASD in society.- To provide opportunities for community members to interact with students and staff at the School of Autism and gain insight into their experiences and perspectives.- To engage in activities aimed at fostering understanding, empathy, and support for individuals with ASD and their families.
Conclusion/ Outcomes	The Community Engagement Program organized by NSS and the Department of Psychology at the School of Autism in Kavathe Mahankal on January 4, 2024, served as a platform for promoting awareness, understanding, and acceptance of autism spectrum disorder. By facilitating interaction between individuals with ASD and the community, the program fostered empathy and support, laying the foundation for a more inclusive and compassionate society.
