Activity Report

Title	'Health Survey'
Day & Date	20/02/2020
Organizer	NSS No of part : 58
Co-ordinator	D S Patil
Background	On February 20, 2020, the National Service Scheme (NSS) undertook a comprehensive Health Survey at Alkud (M) Village to assess the health status, healthcare needs, and prevalent health issues among the residents. The survey aimed to gather valuable data to inform health interventions and initiatives for the betterment of the community.
Objective	<ul style="list-style-type: none">- To evaluate the overall health and well-being of the residents of Alkud (M) Village.- To identify prevalent health conditions, including chronic diseases, infectious illnesses, and nutritional deficiencies.- To assess healthcare access, utilisation, and satisfaction levels among community members.
Conclusion/ Outcomes	The Health Survey conducted by NSS at Alkud (M) Village on February 20, 2020, served as a crucial initiative in assessing the health needs and challenges faced by the community. By gathering comprehensive data and engaging with residents, the survey laid the groundwork for targeted health interventions and programs aimed at improving the overall health and well-being of the population. Such endeavors underscore the commitment of NSS towards promoting public health and fostering community development.
